July 2017

ONE-WAY TRAFFIC CONTROL ON FRENCH COURT FOR WATER LINE INSTALLATION

Beginning Monday, July 10, for approximately one week

There will be one-way traffic control on French Court and a portion of Halleck Street **beginning Monday, July 10 for approximately five days** in order for crews to install a water line in Building 201. This work is related to the reconstruction of the Halleck streetscape.

Westbound traffic on French Court will be available so the bus lines can maintain regular service. Eastbound traffic will be closed temporarily. At the end of each shift, the roads will be open in both directions. The sidewalk will be closed temporarily during this work. Additionally, the northern entrance/exits to the Fire Station parking lot will be closed.

Work is scheduled for Monday through Friday from 7:00 a.m. until 5:00 p.m. Activities will include saw cutting, potholing, tie-in to existing water line, excavation, shoring, and backfilling.

Please exercise caution around trucks and large equipment, and obey instructions from signage and flaggers. Thank you for your patience during this activity.

All dates are subject to change due to weather and unforeseen conditions.
Please visit www.PresidioParkway.org for up-to-date information.
